TECH TIP TUESDAYS online from home!

FREE group sessions
designed for seniors in isolation

EVERY TUESDAY
12.30-1.00PM

Join us, connect with other Seniors, make new friends, share stories, have a chat, a laugh, and learn a tech tip or two. Something that is more important now more than ever.

These are 'virtual classrooms' using Zoom meetings. You participate from the comfort of your own home on your own device. For those that are new to Zoom meetings do not worry, we will help you every step of the way.

"This is so much more than a technology lesson!"

Monika, a regular Tech Tip Tuesday participant
